REQUIREMENTS FOR MEMBERSHIP

(Note: Please retain this page for your own records.)

Eligibility: Any White person (a non-Jewish person of wholly European ancestry) of good character and at least 18 years of age who accepts as his own the goals of the Patriot's Alliance and who is willing to support the program described herein may apply for membership.

Ineligible persons: No homosexual or bisexual person, no person actively addicted to alcohol or to an illegal drug, no person with a non-White spouse or a non-White dependent, and, except in extraordinary circumstances, no person currently confined in a penal institution may be a member. (The Patriot's Alliance does not advocate any illegal activity and expects its members to conduct themselves accordingly.)

Application procedure: Any eligible person who wishes to become a member of the Patriot's Alliance should fill in completely the application and mail it, along with the \$15 application fee *and* his First month's dues, to the address on the form. A new member will receive a membership card, a membership pin, and monthly issues of the Patriot's Alliance internal membership newsletter. (Dues payments are voluntary donations in support of the work of the Patriot's Alliance. They are not payments for goods or services rendered to the member.)

Anonymity: The anonymity of members is protected scrupulously; as a general policy, no member's name will be publicized or revealed to any other person without the member's explicit consent. Beyond this, a membership applicant who is concerned that his or her welfare, security, or effectiveness as a member might be jeopardized if there were any possibility at all that his or her membership in the Patriot's Alliance were revealed may, if he wishes, hold membership under a *nom de guerre*. Such an applicant should use his *nom de guerre* on his application form and on all his correspondence about Patriot's Alliance matters. His membership card will be issued with that name on it, and he will receive all his mailings from the Patriot's Alliance addressed to that name. No records with his true name will be retained. It will be the responsibility of the applicant to ensure that mail addressed to his *nom de guerre* will be delivered to him by the postal service and to take all other measures required to protect his anonymity, such as paying his dues with cash or money orders instead of personal checks. The Patriot's Alliance does not recommend that an applicant use a *nom de guerre* without a sound reason for doing so. It will not look favorably on any applicant who selects a frivolous *nom de guerre*.
